PROGRAM BROCHURE

Dear Friends,

Welcome to the 25th Anniversary Reunion of the 44th Batch, Calicut Medical College!

Twenty-five years on, our bond is as strong as ever. We've shared laughter, supported each other through trials, and built memories that time has only deepened. This reunion is our chance to celebrate those ties and create many more.

We also take pride in the many achievements of our batchmates across the globe—in academics, medicine, research, culture, and beyond—proof that the spirit of the 44th shines everywhere. As a family of physicians, we stood shoulder to shoulder during the greatest pandemic of our lifetime in 2020, finding comfort in each other and bringing out the best souvenir—a remarkable book crafted through the efforts of our batchmates. Among our most cherished moments is the unforgettable all-girls dance from our batch, a performance that continues to inspire smiles and pride.

Alongside this, our Healthy 44th Initiative has inspired many of us to embrace healthier lives, making a lasting impact within our group.

At the same time, we offer our sincere gratitude to our teachers and our alma mater, who groomed us into the doctors and individuals we are today.

Here's to friendship, memories, and the journey ahead—together, as one family.

With joy and gratitude,
The Organizing Team
